

Today we celebrate the second Sunday of The Season of Creation. Recall the Spirit of this Season: Celebration, Repentance, Amendment--three themes but they're all about relationships.

Relationships make up our lives: look at our human relationships: here we are, a congregation related through a common faith; we are parent, child, husband, wife; family, friend, companion, teacher, priest. School, workplaces, neighbourhoods, sports clubs, entertainment, social media, -- all are webs of Relationships. In our gospel today, Jesus is urging us to constantly restore relationships, seventy-times-seven, i.e. infinitely.

Today we focus on our relationship with Creation. To stay alive, we depend totally on Creation – air, light, plants, animals, building materials, energy sources... When things go wrong with Nature, as we have seen in recent times, the world grinds to a halt. We know that we are plundering the earth's resources, we are in debt to nature. Nature is generous, on our side. We take and take, and she gives and gives: but she is going bankrupt--she can't keep up with our consumerism. We are destroying our relationship with her.

Newsletter Sunday 13<sup>th</sup> September 2020

Carrying on from last week's newsletter where I quoted some suggestions from the Irish Catholic Bishops' Conference, they have two more headings under the overall theme of **CULTIVATING HOPE - A Faith Response to the Climate Crisis**

The second heading is:

### **Celebrate the Gift of Food**

*Cultivate hope by the way you buy, prepare, and eat food*

- Grow some of your own • Support local producers • Buy local, Irish and in season • Avoid excessive packaging • Use Fairtrade products • Give thanks and welcome others to your table • Plan your shopping. Make a list • ‘Purchasing is always a moral – and not simply economic act.’ (LS 206) • Avoid food waste ([www.stopfoodwaste.ie](http://www.stopfoodwaste.ie)) • Learn to compost. ‘Many things have to change course, but it is we human beings above all who need to change.’ (LS 202)

### **In Genesis 2:15 we were called to till and keep the garden of Eden.**

‘Laudato Si reminds us that **‘tilling’** refers to cultivating, ploughing or working, while **‘keeping’** means caring, protecting, overseeing & preserving. This implies a relationship of mutual responsibility between human beings and nature.’ (LS 67).

The third heading is:

### **Be part of the Solution to Plastic Pollution and Climate Crisis**

*Cultivate hope by your actions*

#### **Personal:**

- Always carry your keep cup/refill bottle • Bring your reusable bag to the shop • Avoid impulse purchases • Conserve and reduce energy and water use

#### **Parish:**

- Plan to avoid single use plastic • Use Fairtrade products at parish celebrations • Audit Parish events for plastic, packaging, recycling, unhealthy food • Put Think Before You Flush signs in parish toilets ([www.thinkbeforeyouflush.org](http://www.thinkbeforeyouflush.org)) • Refer to Ireland's official guide to managing your waste ([www.mywaste.ie](http://www.mywaste.ie)) • Consider an energy audit of your parish buildings. Check [www.seai.ie](http://www.seai.ie) for advice/help.

On behalf on myself, Canon Pat and the Parish Community I offer our sincere condolences to her family and to her Community - Sr. Margaret, Sr. Mary, and Sr. Winnie. May she Rest in Peace The Holy Sacrifice of the Mass for the eternal repose of her soul will be offered this Monday 14th September at 10.00am

#### **Saturday Evening Vigil Mass**

I am delighted to announce that the Saturday evening Vigil Mass will return next Saturday 19<sup>th</sup> September. A sincere 'thank you' to all who have volunteered as Stewards. Without your goodwill and generosity this Mass would have not recommenced

This collection will take place **THIS SUNDAY** 13<sup>th</sup> September after the 8.30am and 11.15am Masses.

#### **1<sup>st</sup> and 2<sup>nd</sup> Collections**

At every Mass, weekday and weekend there will be collection boxes situated around the Church. If you cannot make the Sunday Mass, but are able to go to the weekday Mass, you can make your weekly contribution during the weekday Mass. Thank You. *One contribution per week and not one every day!!!*

#### **Scripture Note – 24<sup>th</sup> Sunday in Ordinary Time**

Today's Gospel raises the question of sin between brothers and sisters, that is fellow-Christians. The psalm talks about the greatness of God's forgiveness, (which contrasts with our miserly forgiveness). Anyone who is forgiven has an obligation to forgive. If we cannot bring ourselves to do this, it is an indication that we really haven't experienced God's forgiveness. The position of the servant in Jesus' story was absolutely hopeless. He owed the king so much money that even if he worked forever, he would not be able to repay him. This is our situation before God. We can't win God's forgiveness. All we can do is plead for his mercy. (Source: Fr. Flor McCarthy, SDB)

#### **Sr Patrick Leamy.**

Sr Patrick was born in Drumbane, County Tipperary in May 1934. She was one of a family of seven, five girls and two boy, four of the girls entered Religious life. Sr. Patrick gave sixty four years in the Congregation of the Ursulines of Jesus, thirty one of which she lived in Swords. She was very dedicated to the Lord and totally committed to her mission. She was friendly, outgoing and had a great sense of humour!! She never let her poor health get in the way of her mission and was known as the "flying sister" here in Swords, causing many hair raising moments to drivers on the roundabouts. She mothers the priests and always referred to them as "her boys".

Sr Patrick, you are sadly missed and thank you for your warm presence among us. May you rest in peace. Amen

*Sr Mary, Sr Margaret, Sr Winnie*
