

## Prayer for Rain

Let us pray. God our Father, we thank you this time for the gift of life, the gift of the world you gave to us. We also thank you for the gift of faith that keeps us going. Lord, I pray for rain, especially in this Ishiara Parish and in all parts of Kenya that are dry. You, Lord, are the provider of everything. You are the one who brought us where we are and you have a good plan for us. Lord, I pray you may look at the suffering of your people, especially those who lack rain, those who have nothing to eat because of the effects of drought and hunger that is caused by climate change. I pray, Lord, that you may give us your graces and you may send rain to this area. Therefore, your people will be able to live a good life. I pray, Lord, you will give us courage to preserve our environment so that the environment may provide for us as we continue to preserve it. May we also have the investment for future generations. We make our prayer though Christ our Lord. Amen. (Source: *Trocaire Lenten Resource Pack for 2020*).

## **TROCAIRE – Lent 2020 cont'd**

*“Hold fast to love and justice (Hosea. 12:6)” – Trocaire Scripture reference for Lent 2020*

Newsletter Sunday 8th March 2020

As stated in last week's newsletter, **Trocaire for Lent 2020** highlights the different ways in which women keep their families safe and protect their futures.

During Lent 2020 we tell the stories of Madris in Kenya and Angela in Honduras as a way to celebrate the strength of women all over the world who are overcoming the odds to protect and provide for their families. Last week we met Angela and this week we meet Madris

### **Meet Madris**

Madris is a farmer and mother of six living in Kenya. When we met her, she was living on the edge, struggling to survive after two seasons of failed rains. As climate change exacerbates the situation for farmers in Kenya, Madris manages to support her children and persevere in the face of mounting daily challenges. Madris finds strength from her Anglican Christian faith. Madris and her children sit and eat dinner together every evening. They talk about their day and any problems they are having. Then, as a family, they pray about it.

Madris walks around the dusty brown patch of land beside her small home, where she lives with her six children. There are no crops visible, just a few scraggy bushes. 'I feel very bad when the rains don't come because all my plants depend on rainfall,' she tells us.

Madris receives support from Trócaire's local partner, Ishiara Parish. She has received chickens, and has been taught new methods of eco-friendly farming, how to harvest rainwater and how to prevent livestock diseases. She has been supported to join a savings and loans group, which enables her to receive additional income during the dry months, and to get support and help from other women. When climate change has made life so precarious, this support makes all the difference to her being able to feed her family, to pay school fees and to plan for the future.

Madris asks us to pray for rain. Father Patrick Barasa OSA, Project Manager, Parish of Ishiara, wrote this prayer. We invite you to pray this prayer in your home, parish or community. This can be used as a communion reflection or while you are telling the stories of the two Lent families.

#### **Confirmation - Ceremony of Light**

The Ceremony of Light for St. Colmcille's GNS will be held this Tuesday 10<sup>th</sup> March at 1.40pm. This Ceremony is developed around the Pascal Candle. In this Ceremony, the parents hand the lighted candle lit from the Pascal Candle directly to their children themselves, symbolising that they, their parents have fulfilled their promise to bring their children up in the faith and will continue to fulfil it and that their children now make the step of confirming their faith for themselves.

#### **Do This in Memory – Bridge Programme**

#### **Second Sunday of Lent**

Every so often, we catch a glimpse of the "something more" that God has in store for us. These fleeting experiences are to be treasured: the birth of my first child, falling in love, a sense of "being held" by God's presence. Such experiences may help us approach the Transfiguration. Like all transcendent experiences, it is fleeting and yet it etches a memory and leaves a longing. What should we do? Practice listening to him. Be not afraid. We cannot always be "on the mountain" and yet what happens on the heights can help us on the lowlands of the everyday.

**Prayer** - Lord, listening sounds so easy and yet is such hard work! Guide us as we listen to your Son, whose word is live, who is himself the Way, the Truth and the Life. (Source: St. Paul's Missal)

#### **Advance Notice – St. Patrick's Day**

The parade takes place at 11.00am in Swords, with the attendant road closures. With that in mind the St. Patrick's Day masses will be at the normal weekday times of **8.00am and 10.00am** with the Vigil at 6.30pm the night before. We'll see how it goes this year!
